Ten Minute Meetings:

We probably won't have them between now and the end of the year.

In case people ask:

- We have 2 PD days before school starts next year due to the new contract.
- If people want to sign up for Long-Term Disability without worrying about a pre-existing condition, they should send their form in to the building-based Administrative Assistants. Jon spoke about having the company (Mosse and Mosse) come during one of the first days back so people could ask questions. Coverage will begin in the fall.
- Summer PD days are 7 hours, including 30 min of lunch. People really need to be mindful of the hours they work because we fought for getting paid per diem (max is 1/200th of step 10 of master's column, but it is 1.0 of that). A half day is 3.5 hours with no formal break.
